SIR,

Adverting to your memo No. 125/Ml.1-13 dated the 5th July 1913 calling for remarks on the audit report of the Municipal Councillors appointed for the purpose, for March 1913, I have the honor to state that a large portion of the recoverable arrears had been collected in the previous months and what still remained to be recovered represent.

(1) Arrears due on Government buildings, under correspondence with the Executive Engineer, Bangalore Division,

(2) Arrears due from persons living out side the City or abroad,

(3) Arrears due from owners of vacant sites whose whereabouts are not ascertainable, and

(4) Amount defalcated by Shanbhog of the V-Division and awaiting clearance after obtaining orders of Government.

2. The question of granting refunds to the City Tobacco Company was fully gone into and was latterly decided by the Council after a careful consideration that 75% of the amount claimed by the Company be refunded, the remaining 25% being treated as the Revenue due to the Municipality.

3.

3. The usual practice is to collect materials for special repairs of roads during months in which there will be no rains and undertake consolidation in the rainy season. Accordingly bills for collection of materials were paid for before the works for which materials had been collected, were executed. The rules of the Managing Committee in force at the time did not require that all the estimates should be placed before the Committee. The procedure has since been altered and all the estimates of works to be carried out are now invariably laid before the Managing Committee.

4. The rent of the Chamarajpet Dispensary was paid to the Sub Assistant Surgeon in accordance with the written request of the house-owner at the commencement and the same practice was continued.

5. Certain portions of the City not having been supplied with electric lights, the streets situated therein, are provided with kerosine oil lamp lights. As these are far and few between, it has not been possible to secure contractors to take up the work of lighting in these localities. The other points are noted.

I have the honor to be

Sir,

Your most obedient servant,

For Honorary President.
